What to Expect

Articulate Rise has grown in popularity due to the simplicity and intuitiveness of its interface. Whether you're just getting started with the platform or looking to strengthen your learning design skills, this engaging 3-hour session will guide you through the essential features of Articulate Rise 360. Including interactive activities designed to encourage participation and help you apply new concepts from the start, we'll review how to leverage this popular platform to create polished eLearning content. You'll learn from hands-on, practical instruction at every step, empowering you to create engaging digital learning experiences right alongside our expert facilitators.

Topics Covered

- Sections
- Content templates
